To Whom It May Concern,

I am writing to formally announce my resignation from my position as a certified science teacher at Bacon Academy, effective immediately due to health reasons. This decision has not been easy for me, as I had been incredibly looking forward to working with the Colchester Public School system.

Unfortunately, my current health condition has reached a point where it is no longer feasible for me to continue working at my full capacity. This decision has been made after careful consideration and consultation with my healthcare professionals, who have advised me to prioritize my health and well-being.

I want to express my gratitude to the school staff for both accepting me into your group as well as for your understanding and support during this challenging time. I wish everyone continued success and prosperity in the years to come.

Sincerely,
Brianna Laskey
